

# VOTE KUNAL DUTTA

## ASB TREASURER

### **Platform:**

I will strive to ensure financial responsibility from classes *and* clubs by uploading a suite of resources onto the ASB website and periodically checking in. I also plan for every student next year to submit a mock-budget to ASB, during the first advisory of the year, so we can account for the student voice as well.

Sweet and simple: amplify the student voice and operate responsibly.

### **Experience:**

- Founder/President of the Programming Club
- President of DECA
- Leadership Student (team-lead for Winter Wishes sponsors)
- Founder/CEO of Thrive Silicon Valley
- San Jose City District 9 Youth Advisory Committee
- Campbell Union HS District Facilities Committee
